LEST WE FORGET

Each and every year we commemorate ANZAC Day throughout Australia, and to give thanks to all those gallant

ADL personnel who paid the supreme sacrifice and to all who served and are serving to protect this wonderful country of ours.

We to commemorated ANZAC Day on Thursday 23rd at St Mary's Gardens. Our ex servicemen were dressed to the nines with their medals polished brightly and placed on their chest. One could

see the pride in their eyes as once again they relived their time when they too served and survived. The dining room was decked out with the National flag and posters in conspicuous places for all to see. Once again we were privileged to have members of the St Mary's RSL club committee to conduct the service and a cadet unit from Blacktown who always look so smart in their uniforms performed their respective duties diligently. We are most grateful to Mr

John Foeken for organizing the service and the entertainment the silver foxes. It was nice to see our residents take part in the service Mr Harold Baker read the poem in Flanders Fields and the prayer for peace was in the capable hands of Rose Ward, and last but not least Joycelyn Bradley recited the Prayer for our Armed Forces. The residents were proud to be part of this very important day.

STAFF CORNER Danielle Boyle

If your looking for a place where everyone knows your name then come to St Mary's Gardens where everyone knows mine!

Hi I'm Danielle, I was born here in Australia 26 years ago. I'm a cancerian and I love reading books and going out with girlfriends for a good time.

I received my certificate III in aged care in 2006 and got my position here at St Mary's Gardens not long after. Im an assistant in nursing and also fill in for the Recreational activities Officers when they are on leave.

If you hear someone singing in the corridor then your probably hearing me. I'm often caught dancing a little jig

in the hallways too! Im crazy and goofy and love it !HA ha

The one rule I have about my job is that if I can make at least one resident smile or laugh then I know I've done my job well that day .I've worked in nursing for 3 years now and I love my job and my residents. I honestly never thought that I'd be working in this this industry but I love every minute of it!

RESIDENT'S CORNER

I was born in Sydney in 1929 and lived there until my family moved to St Mary's in 1934. I went to St Mary's public school and then moved on to St Joseph's school, I left school at 15 years of age to go to work to help with the house expenses. I worked at Parramatta Hospital as a domestic cleaner for 30 years.

My interests are going to the club and I enjoy socializing with people.

I married in 1950 in Charelville Queensland, I have 5 children and 13 grandchildren I also have 15 great grandchildren who are all happy.

Unfortunately I lost my husband 6 years ago but am doing well as life still has to go on.

"It is not how much
you do, but how

much love you put in
the doing."

Admission Help

"I could not be more pleased with the treatment my husband receives. From management to the front desk, nursing staff, cleaners and kitchen staff, all making me feel part of the family" Brenda
