

For more than 50 years, SummitCare has supported the wellbeing of thousands of people. Our In-Home Support services are designed with your independence and lifestyle in mind. We focus on your individual choices and care decisions - so you can live the life you want to live.

About MobileCare

Your Support

SummitCare MobileCare is a reliable travel, transport and accompaniment service, ensuring you can get out and about safely and maintain your independence.

SummitCare MobileCare can assist you in getting to:

- Medical appointments
- Allied health appointments
- Hair and beauty appointments
- Shopping
- Family or friends' homes
- Special events and more...

Your Choice

Our passionate team are all highly qualified and experienced care workers. Your wellbeing is our focus.

- Travel in safety and feel secure
- Arrive on time at your appointment or event
- Professional team of qualified and experienced care workers
- A multicultural team, offering you the choice of care workers
- A local team with a good understanding of the local community.

SummitCare understands how important it is for people to get out and about and feel as independent as possible for as long as possible. MobileCare enables you to get around - to shops, medical appointments, friends - exactly when it suits you, giving you control over your life.

How does MobileCare work?

To book MobileCare, simply call us on 1300 68 55 48. We will help you book a care worker or a registered nurse to be at your house or pick-up address at your required time. We will take care of the rest and ensure that you are collected punctually and arrive at your destination in good time.

Please note:

The minimum MobileCare booking is two hours.
