WARMTH WORTH WELLBEING

## THE SUMMITCARE WAY

For generations, SummitCare has cared for and supported the wellbeing of many people throughout Sydney and Newcastle.

We have built an award winning reputation for delivering outstanding care and support for all our families through our residential centres, in home support services and respite care options. Your Wellbeing is our focus.

**SummitCare** - *WARMTH WORTH WELLBEING*

# WHY CHOOSE SUMMITCARE?

**Our promise** - we strive to improve the wellbeing of all our residents and their loved ones through our focus on creating nurturing, warm and welcoming communities where each individual has a sense of worth.

**We are experienced and passionate** - we are a family-owned group with more than 50 years' experience and strong values, including trust, respect, loyalty, integrity, friendship.

**Our people are our greatest asset** - we have a key focus on staff development, performance and culture. Members of the SummitCare team are highly skilled individuals who are passionate about promoting every aspect of our residents' and their loved ones' wellbeing.

**We celebrate excellence** - our knowledge helps us to drive and deliver excellent care; from our specialist behaviour support strategies to nutritional and tasty meals, and carefully planned social and recreational activities.

**We exceed expectations** - our resident and family engagement survey results show more than 80% satisfaction. This feedback process ensures we always provide quality, consistency and outstanding value.

For all these great reasons and many more, the SummitCare team is recognised by peers and other industry leaders, and we were the first aged care provider in Australia to receive the Gold Award in the Australian Business Excellence Awards.

**Let us provide our award-winning support to you or your loved ones.**

## THE SUMMITCARE EXPERIENCE

If you enjoy the finer things in life, then you will love living in the gorgeous Magnolia unit at SummitCare Wallsend. Magnolia consists of 37-beds and offers a luxurious lifestyle for those prepared to spend a little more.

Natural light fills Magnolia during the day, and residents can take in views to Mt Sugarloaf from balconies and verandahs. Or perhaps you would prefer to enjoy your complimentary daily newspaper, socialise or watch Foxtel TV in the common lounges, or relax in the fresh air in the private landscaped courtyard area. The choice is yours.

Our interior designer has selected a beautiful colour scheme, artwork and furnishings for each room in our range of spacious, air-conditioned accommodation, which is available in single or twin configurations.

Rooms are fitted with flat-screen televisions, computer access points, telephones and a nurse call system for peace of mind.

This luxurious lifestyle is enhanced by the exceptional support provided by our professional and warm team - a hallmark of the award-winning SummitCare organisation.

## SERVICES & ACTIVITIES

All services at SummitCare Wallsend have been thoughtfully designed to promote resident wellbeing. A calendar outlining leisure and lifestyle activities is available covering a range of programs designed to meet resident individual needs and interests. These include entertainment from visiting performers, outings, book clubs and social groups to name but a few.

Nutritious and tasty meals designed by our dietitian are prepared and freshly cooked on-site. Access to hairdressing, nail artist, barber and massages is also available.

SummitCare Wallsend offers an exercise program to assist our residents with mobility and their range of movement. To improve the wellbeing of residents with memory loss, wandering tendencies and dementia, we also provide the acclaimed Play Up Program created by the Arts Health Institute, which delivers humour therapy, and the Spark of Life Program to promote social and emotional wellbeing.

There are a range of allied health professional services available including physiotherapy, podiatry and our team can provide expert behaviour management strategies, respite and palliative care services should they be required.

The team at SummitCare Wallsend are passionate professionals who deliver outstanding care and support to residents, their families and their loved ones.

## PRICING

Magnolia at SummitCare Wallsend is an Extra Service unit. A Refundable Accommodation Deposit is required for admission to the unit and it also attracts a daily Extra Service fee.

A range of payment options are available, and we would be pleased to discuss these with you.

## YOUR ADMISSION

The first step towards admission is to contact the Aged Care Assessment Team (ACAT). This is a required assessment that determines the type of aged care that is necessary.

SummitCare provides a comprehensive guide on the website that will take you through the steps required for admission. [www.summitcare.com.au/about-summitcare/admission-help](http://www.summitcare.com.au/about-summitcare/admission-help)

“Wellbeing is at the heart of everything we do at SummitCare. We focus on ensuring our residents and their loved ones are supported to be the best they can be in mind, body and spirit. Our support and care is delivered with warmth, celebrating the worth of every individual.

To learn more about our ‘Wellbeing Hub’ simply call SummitCare Wallsend, any of the team will be happy to discuss how Warmth, Worth and Wellbeing underpins everything we do every day”.
